Old Business

Thanks to all who came out on our recent Work-Day at the field. The sand box was built and the first of the new assembly tables were installed.

Mike Sandling says that

we need more sand or loam to fill in spots on the field.

Gene Young suggested using play-sand in the sand box since it is cleaner.

The Parks Board and City council have approved our new lease agreement.

President's Corner

As we begin the New Year, I want to thank the club for making me your President for 2009.

It is an honor to have the opportunity to serve the club in this capacity.

I'll see you at the meeting,

Mike
